

Seeking an Investment Banker, for our Athens Office!

AXIA is a leading European investment banking group, with offices in Athens, Milan, Nicosia, London and New York. We provide advice to corporate clients and investment funds on a full range of strategic corporate finance assignments across industries. We aim to provide our clients with expert advice, innovative solutions and outstanding execution, by offering a highly effective and customized approach to each and every client. Our entrepreneurial ethos and close industry ties set us apart from other advisors in the region.

Today, **AXIA** is seeking a **Senior Analyst / Associate-level Investment Banking** professional to join our team in Athens. Applicants must possess a strong background in the Investment Banking and/or Financial Advisory industries, with experience in M&A and capital raising transactions.

Main Responsibilities:

- Review and analyse financial information
- Prepare pitch documentation and diverse marketing materials
- Develop detailed financial models for M&A, Debt Advisory, Restructuring and Capital Raising purposes
- Conduct company valuation implementing both intrinsic and market based valuation approaches for live or contemplated transactions
- Interact with team members and client management teams on a daily basis to execute transactions and discuss strategic alternatives
- Attend client meetings with senior members of the team

The main focus will be to work alongside a team of professionals across the Group, to develop and execute solutions to meet our client needs. Ordinarily there will be several projects to work on simultaneously.

Skills and Qualifications:

- Two or more years of experience in Investment Banking or Financial Advisory
- Bachelor's Degree, preferably in finance or a relevant area. Masters degree preferred
- Excellent analytical, modelling, market research and quantitative skills
- Solid market awareness across industries
- Strong communication skills and ability to work in a fast-paced, team-based environment with minimal supervision
- Detail-oriented and focus on quality results and deliverables
- Ability to organize and track overlapping tasks and assignments, with frequent priority changes
- Proficient English speaker with preferably one more European language
