AXIA Ventures Group awarded Best for Research in Greece by Euromoney Awards for Excellence 2025

Athens, Greece, July 18th, 2025 - AXIA Ventures Group (“AXIA”) is proud to announce that it has been recognized as “**Best for Research in Greece**” by the **Euromoney Awards for Excellence 2025**, reflecting its ongoing dedication to best-in-class equity research services in the industry.

The **Euromoney Awards for Excellence** stand out as one of the most esteemed recognitions within the global finance sector.

Euromoney annually celebrates institutions that lead the way in performance, innovation, and leadership across various categories. These awards come from a careful assessment process incorporating quantitative results and industry expertise and are celebrated as a standard of excellence among finance leaders internationally.

AXIA’s Research team is widely recognized for its consistency and in-depth market insight, offering high-quality research that supports hundreds of institutional clients across four continents. With coverage of more than 36 companies representing over 97% of the Athens Stock Exchange’s average daily volume, AXIA has become a trusted partner for investors seeking reliable, timely, and actionable analysis in the Greek and Cypriot equity markets.

Throughout this period, AXIA’s Research team played a vital role in enhancing communication between listed companies and the investment community, by supporting Greek corporates’ senior management in effectively positioning their investment narrative and engaging the global investor base with precision and purpose. AXIA’s comprehensive suite of research products – ranging from daily market updates, earnings reviews, sectoral and macroeconomic analysis, to single stock coverage – continued to broaden its coverage across sectors, company profiles, and research formats. During the review period, AXIA issued notes providing clear views and actionable recommendations, along with several high-profile initiations of coverage, including prominent IPOs or those arising from corporate developments, **helping investors seize opportunities in the Greek Capital markets in a timely manner.**

AXIA’s recognition comes at a time of renewed investor interest in the Greek market, with local capital markets gaining momentum amidst sovereign upgrades and accelerating reform efforts. The firm’s data-driven insights, sector expertise, and close alignment with both market trends and client needs have solidified its role as **the go-to research house in Greece.**

Mr. Constantinos Zouzoulas, AXIA’s Managing Director and Head of Research stated: *“It’s an honor for our team to be named ‘Best for Research in Greece’ by Euromoney. This award reflects our **commitment to excellence, integrity, and depth in everything we do.** Our role goes beyond simply analyzing numbers, we aim to bridge the gap between companies and global investors through insightful, thoughtful research. I am incredibly proud of our team’s dedication, and we remain focused on expanding our offering and maintaining the highest standards in equity research in the region”.*
