

Global Reach Regional Focus

Corporate Profile 2026

AXIA at a Glance

Who We Are

AXIA is a leading regional investment banking group providing financial advisory and capital markets services to corporates, governments and institutional clients

As of December 16th, 2025, AXIA is a member of Alpha Bank Group. The integration of AXIA within the Alpha Bank Group enhances our investment banking, capital markets and financing capabilities and enables us to offer to our clients a broader range of services and solutions

We are committed to delivering expert advice, innovative solutions and outstanding execution through a highly effective and tailored approach to each client. Our entrepreneurial culture and deep industry relationships distinguish us from other advisors in the region

What Differentiates AXIA

AXIA's team of people offers a comprehensive spectrum of financial advisory services, based on their institutional background, deal and sector expertise, judgment, creativity and intellect

Our unrivalled insight comes as a result of working in a dynamic and diverse mix of industries including Financial Institutions, Industrials, Shipping, Consumer, Renewable Energy, Real Estate and Hospitality

We have deployed one of the largest on-the-ground investment banking teams, dedicated to covering Greece, Cyprus and the broader region, with special sector expertise in Shipping / Transportation, FIG, Real Estate and other

Key Values

Excellence and accountability, providing unbiased and objective advice, client focus and building long-term relationships

Acting with integrity, ethically and transparently; thus strengthening long term relationships with market participants

Global Reach

While our primary focus is on the Peripheral European region, our reach and access are truly global

The international experience of our team has enabled us to develop close ties with leading global financial sponsors (Private Equity Funds, Hedge Funds, Sovereign Wealth Funds) and professional advisors (other investment banks, law firms, accounting firms)

Local Access

Through our long-standing presence we have developed unparalleled relationships with entrepreneurs, management teams, policy-makers and other constituents of the business community

We strongly believe that establishing close and long-standing relationships with our clients significantly increases the value we can add to their investment endeavors

Investment Banking Services

- We devote time with our clients to understand their business objectives and individual needs, encouraging creative solutions
- Our clients include the world's largest institutional investors and sovereign wealth funds, as well as public and private companies and government-related entities
- Our focus is to provide clients with quality, value-added, independent advice, tailored specifically to their individual needs through our specialized team focus

Services	
Structured Finance & Equity Products	Originate, structure and execute financing solutions utilizing equity and debt instruments. Main activities include IPOs, follow-ons, sell-downs for major shareholders, convertibles and private placements
M&A	Advise on strategic issues, Mergers and Acquisitions, Divestitures, Joint Ventures, spin-offs, LBOs and takeover defense tactics
Restructurings	Unwinding cross-shareholdings, debt reorganizations, re-capitalizations, spin-offs, divestitures and other corporate actions to improve the organizational structure of a group
General Corporate Finance Advisory	General advice on ongoing corporate, financial and strategic issues (corporate planning and expansion, competition analysis)

Industries	
Corporates	Domestic and regional established corporates and SMEs have traditionally been at the forefront of our advisory activities, and have contributed to our strong track record in the consumer, real estate, energy and infrastructure sectors
Real Estate	AXIA has established a strong history of successfully assisting and facilitating in significant real estate transactions, managing to become the advisor of choice in relation to RE transactions in the regions we operate
Energy & Infrastructure	AXIA has been a go-to advisor for international investors looking into Energy and Infrastructure in our regions, with an increasing focus in Renewables. Traditionally, we have been on the side of domestic utilities across M&A and capital raising
Transportation	A significant portion of our clients are shipping companies (both private and public), whose capital needs we aim to service through our vast network of capital sources
FIG	We are very active in the Financial Institutions Group sector, with a dedicated on-the-ground team actively focused on catering to the needs of the largest domestic financial institutions for their Greek, Cypriot and international businesses

Capital Markets Services

- Our client coverage and research teams provide services to both international and local institutional investors as well as corporates with interest in the jurisdictions where we operate and beyond
- We constantly monitor the developments and news flow in the international capital markets and work to identify the best opportunities for our institutional clients
- We possess strong expertise in executing complicated deals with innovative structures

Services

Institutional Client Coverage

Our deep understanding of the needs of global financial institutions and our targeted services to each client, result in solid client relationships across markets and asset classes

Equity Research

Fundamental analysis and idea driven Research Products in Greek and Cypriot markets help our clients take advantage of our local expertise and investment opportunities

International Market Access

Around the clock trading access to 50 markets globally

Select Credentials

Our Accreditations

During its 18 years of operation, AXIA has been recognized for the high quality of its services across verticals by the most prestigious industry awards

- In 2025, AXIA was awarded “Best for Research in Greece” by Euromoney. AXIA’s data-driven insights, sector expertise, and close alignment with both market trends and client needs have solidified its role as the go-to research house in Greece
- In 2024, AXIA was awarded “Best for Equities Greece” by Euromoney. This distinction follows its recognition as Market Leader in Investment Banking by the same organization, further highlighting AXIA’s unparalleled expertise and leadership in financial services within the Greek market
- In 2023, AXIA was recognized for a second consecutive year as “Market Leader” in Investment Banking by Euromoney. This makes AXIA one of only two Investment Banks to have received this distinction two years in a row
- In 2022, AXIA was proclaimed “Market Leader” in Investment Banking by Euromoney. The highest distinction amongst some of the world’s largest investment banks
- In 2021, AXIA was named “Best Investment Bank – Greece” by the International Banker awards
- In 2020, AXIA was named, for the third time since 2015, “Best Investment Bank – Greece” by the prestigious Euromoney Awards for Excellence. AXIA is the only non-bulge bracket investment bank to have received this award
- AXIA has been recognized for its leading position in the Greek market, witnessed by its ability to execute important transactions in Greece across a range of sectors and deal structures, helping along the way the country’s return to growth
- Following the same operational model and focusing on providing top quality services to its clients, AXIA’s team is determined to replicate Greece’s success in the other jurisdictions that AXIA is present

Investment Banking Financial Institutions Group (FIG) Experience

- AXIA offers FIG investment banking services to both buy-side and sell-side clients, covering banks, insurance, asset management and fintech opportunities across the company's European coverage area, namely Greece, Cyprus and the broader region. The firm offers both capital markets and advisory services
- AXIA's role has been instrumental in the successful capital raising of the Greek and Cypriot banking sectors. AXIA has been awarded the highest number of mandates by Greek and Cypriot bank issuers during 2013-2023, having attracted significant amounts of foreign institutional capital

AXIA's Role & Achievements in the Peripheral Eurozone

- In November 2023, AXIA acted as a Co-Lead Manager in the €1,067 million Fully Marketed Offering in National Bank of Greece on behalf of the Hellenic Financial Stability Fund. This is the largest privatization via FMO to have taken place in Europe in recent years and the largest follow-on in Greece since 2021
- AXIA played a key role in the recapitalization of the Greek and Cypriot banking sectors, securing repeat business by advising Alpha Bank for three consecutive years and Eurobank and Hellenic Bank for two consecutive years. A few years later, AXIA assisted the Greek banks to reopen the public Tier II market in Greece and later on proceed with a new round of recapitalizations to strengthen their capital adequacy position
- In December 2021, AXIA acted as Global Coordinator & Advisor in the €240 million Share Capital Increase of Attica Bank. In April and June 2021, AXIA acted as Joint-Bookrunner in the €1,380 million Share Capital Increase of Piraeus Bank and the €800 million Share Capital Increase of Alpha Bank respectively
- AXIA acted as a Co-Manager in the €400 million and €500 million Tier II issuances of Piraeus Bank in June 2019 and February 2020 respectively
- In the third round of the Greek banks' recapitalization in November 2015, AXIA acted as Joint-Bookrunner in the €2,039 million Share Capital Increase of Eurobank and as an Advisor to Alpha Bank's €2,563 million Share Capital Increase
- In the second round, in the spring of 2014, AXIA acted as Co-Bookrunner in the €2,864 million Share Capital Increase of Eurobank and as an Advisor to Alpha Bank's €1,200 million Private Placement with qualified investors
- In the first round, in the summer of 2013, AXIA acted as Co-Lead Manager in the €457 million Rights Issue of Alpha Bank and as a Financial Advisor to the €1,488 million Rights Issue of Piraeus Bank
- In Cyprus, AXIA acted as a Selling Agent to the €358 million capital strengthening program of Hellenic Bank in 2013 and as a Joint Placement Agent in the bank's €204 million rights issue in 2015
- AXIA offered comprehensive support to the management teams, providing advisory services across deal structuring, marketing and execution to ensure a successful and long-term result

Executive Team

Executive Management

George Linatsas
Group Managing Director

George Linatsas is the Group Managing Director and an Executive Member of the Board of Directors of AXIA Ventures Group. George is also the CEO and an Executive Member of the Board of Directors of Alpha Finance as well as the Chief of Investment Banking and Member of the Executive Committee of Alpha Bank. Prior to AXIA's acquisition by Alpha Bank at the end of 2025, George was a Founding Partner and Group Managing Director of AXIA. Prior to AXIA, George served as General Manager, Head of Equities and Board Member of Piraeus Securities. He has spent over 25 years in the investment banking and brokerage industries, having led some of the largest M&A as well as capital market transactions in the local market. George is a frequent guest speaker at international and local finance and investment conferences. He holds a B.S. in Finance & Marketing from the University of Maryland at College Park and an M.B.A. in International Finance from the American University

Alexandros Argyros
Managing Director & Co-Head of the Investment Banking Division

Alexandros Argyros joined AXIA in March 2010 and is currently Co-Head and Managing Director of the Investment Banking Division and an Executive Member of the Board of Directors of AXIA Ventures Group. Alexandros is also the Vice Chairman and an Executive Member of the Board of Directors of Alpha Finance. While at AXIA, Alexandros has participated in over 60 transactions, with total value in excess of €30bn including debt and equity capital raisings, M&A, corporate restructurings, securitizations and NPL transactions. Prior to AXIA, Alexandros spent one year with FiliaGroup, a private fund focusing on investments in the Environmental and Alternative Energy sectors in Greece. Prior to that, he spent eight years with Morgan Stanley, three years with the Global Industrials Group in New York and London and five years with the Greek coverage team in Athens. Alexandros has executed a significant number of M&A and Capital Markets transactions in the region and in shipping, including, but not limited to the €4.15 billion Fairness Opinion to CosmOTE's Board of Directors on its buyout by OTE, the €2.1 billion dual tranche Eurobond offering of OTE, the \$181 million Paragon Shipping IPO on the NASDAQ, the €1.3 billion rights issue of Piraeus Bank, the €3.3 billion Credit Agricole S.A. tender offer for Emporiki Bank of Greece and the \$247 million Genco Shipping & Trading IPO on the NYSE. Alexandros holds a BA in Economics from Amherst College, USA

Haris Sitzoglou
Managing Director & Co-Head of the Investment Banking Division

Haris Sitzoglou joined AXIA in January 2020 and is currently Co-Head and Managing Director of the Investment Banking Division. Prior to AXIA, Haris spent 10 years with Crédit Agricole CIB (CACIB), most recently as an Executive Director within the Leveraged Finance Group in London and Paris. Previously he was a Director within Debt Capital Markets in London, focusing on sub-investment grade transactions. Throughout his career at CACIB, Haris was involved in origination, structuring and execution of over €100bn equivalent of transactions including capital raisings, acquisition financings, LBOs and liability management exercises for family and private equity owned companies, as well as listed corporates across a broad range of sectors. During his last four years at CACIB, he focused mainly on Southern Europe, being instrumental towards establishing CACIB's leading position with clients, particularly in Italy. Haris has worked for clients across European geographies, including, among other countries, the UK, Germany, France, Italy, Spain, Greece, Switzerland and Poland, as well as with US and Asian clients in the past. He started his career with CACIB at the credit trading desk. Prior to CACIB, Haris worked at a VC-backed unsecured lending platform as a risk and investment analyst. In this role he was responsible for loan portfolio analysis and reporting, while also participating as a regular member of the Risk Committee. Haris holds a bachelor's degree in Economics from Aristotle University of Thessaloniki, Greece and an MSc in Risk Management and Financial Engineering from Imperial College Business School, London, UK

Executive Management (cont'd)

Thanos Adamantopoulos
Managing Director of Capital Markets &
Head of Client Coverage

Thanos Adamantopoulos currently holds the position of Managing Director of AXIA's Capital Markets Division and Head of Client Coverage. Thanos initially joined AXIA as an Advisor in September 2012 and in January 2014 joined full time, as Executive Director in the Equity Capital Markets Division. Prior to AXIA Thanos spent four years as a Director at Citi's Emerging Markets Equity Desk in London, where he was responsible for both client and prop trading in Greece, Cyprus and Romania. Prior to Citi, Thanos worked for six years at Piraeus Brokerage as a Sales Trader, exclusively covering foreign institutional investors, while previously he spent four years with Alpha Finance as a Sales Trader covering foreign and domestic institutional investors. Thanos holds an MSc from the University of York in Project Analysis, Finance and Investments, and a Bachelor in Marketing from the American College of Greece

Christina Anagnostara
Managing Director, CEO's Office &
Investment Banking Division

Christina joined AXIA in June 2017 and is currently Managing Director in the CEO's Office and the Investment Banking Division. Since December 2008 she is a member of Seanagery Maritime Holdings Board of Directors and member of the Company's Sustainability Committee. Christina served as Seanagery's CFO from November 2008 until October 2013. Since June 2022, she is a member of United Maritime Board of Directors and chairperson of the Audit Committee. She has more than 26 years of maritime and international business experience in the areas of finance, banking, corporate finance and capital structuring, consulting, and accounting. Before joining AXIA, she served in executive and board positions of publicly listed companies in the maritime industry and she was responsible for the financial, capital raising and accounting functions. Between 2014 and 2017 she provided advisory services to maritime industry corporate clients. Prior to joining Seanagery she served as the CFO and member of the BOD of a dry bulk shipping company listed on AIM of the LSE. Before that she spent 7 years as senior management consultant of the Swiss-based EFG Group. Prior to EFG Group, she worked for Eurobank EFG and Ernst & Young. Christina has studied Economics in Athens and is a Certified Chartered Accountant
